Cobra CXT 545 Walkie-Talkie

New rugged-ready walkie-talkie from Cobra features 28-mile range with 2,662 channel combinations. Be prepared for storms and emergencies with built-in NOAA radio receiver. The built-in LED flashlight and rubberized grips provide enhanced functionality to keep you on the go. **\$49.99; www.cobra.com**

◀◀◀ Ride Slackcountry Snowboard

For those who need some good old-fashioned pow-in-your-face freedom, the Slackcountry features an ultralight design and Ride's powder-specific HighRize Rocker, so you can just lean back and let this snowboard do the work for you. The versatile twinish design allows you to dominate the deep stuff, slash groomers and easily ride switch. Complete with Hempbrain top sheet and smooth-riding Slimewalls sidewalls, this board will have you floating in the powder.
