John Legend, 35

Headliner on the *All of Me* tour

"My most frequent anxiety dream is that I'm back in college. I get to the end of the semester and I haven't attended a single class. I've flunked everything! Apparently, even though I already earned my bachelor's degree, my biggest fear is not earning my bachelor's degree."

Mark RUFFALO, 47

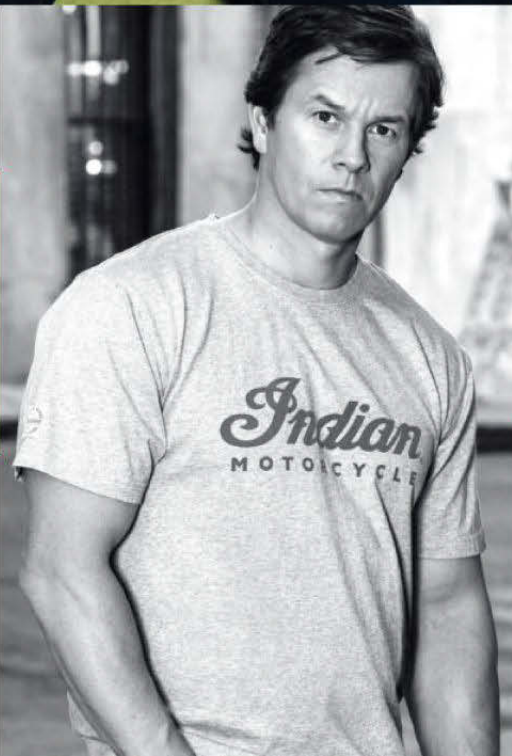

Star of *Foxcatcher*

"That world leaders will not seize this important moment to address climate change, leaving a world that is less than our children deserve."

MARK WAHLBERG, 43

Star of *The Gambler*

"The day my daughters start dating, I want to publicly apologize now to the parents of the girls I went out with as a teenager.... I had no idea!"

Gael García Bernal, 36

Star of *Rosewater*

"The anticipation of fear scares me the most. Once you are surfing the wave, it's not that scary."
